vs

UNITED RECOVERY SYSTEMS, LP
Defendant

Case No. 4:12CV303

PLAINTIFF'S MOTION TO DISMISS

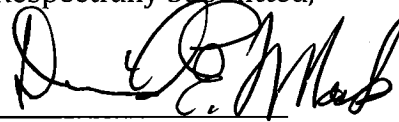

TO THE HONORABLE JUDGE OF THIS COURT:

NOW COMES the Plaintiff, David E. Mack, who after serious consideration and dealing with certain ongoing vision issues has determined that it is in the best interest of not only himself but the Court to dismiss this cause of action.

Plaintiff does not wish to further burden the Court by wasting its precious judicial resources on trial where a claim for such relatively small damages is at issue. The Plaintiff recognizes the Court's resources are scarce and much better utilized on other more important matters to be heard.

WHEREFORE, the Plaintiff requests the Court issue an Order Dismissing the above styled cause of action WITH PREJUDICE with each party to bear their own costs so that the judicial resources of the United States District Court Eastern Division of Texas are not further burdened.

Respectfully Submitted,
